

COUNTRY HEALTH SA PORT LINCOLN HEALTH SERVICE TRANSITION TO PROFESSIONAL PRACTICE PROGRAM 2010

The Port Lincoln Health Services offers a comprehensive Transition to Professional Practice Program for midwives and nurses that assist in the transition from student nurse/midwife to an independent professional in a supportive environment. The program is based upon individual learning aims and is tailored to the individual's goals. The program is supported through a mentoring program plus has a Registered Nurse who oversees the program.

The hospital is a modern 50 bed facility that provides a range of acute clinical services including accident & emergency, medical, surgical, obstetric, palliative and renal dialysis. The Operating Rooms are run week days with emergency on call services being also available.

The hospital is now recognised as one of the four country General Hospitals and services a population in excess of 30,000 people. Port Lincoln is a beautiful sea side location and is only a 30 minute plane flight from Adelaide. It has a population of approximately 14,000 people and offers a relaxed lifestyle.

Our diverse and supportive program offers;

- Comprehensive induction
- A preceptor and mentors
- Ongoing clinical development
- Paid staff development time
- Flexible work conditions and family friendly initiatives
- Choice of full time or part time hours
- Diversity of clinical placements.

We believe Transitional to Professional Practice midwives and nurses are our future and offer ongoing career opportunities upon completion of the program.
