____/____/____

PREAMBLE:

Underpinning the Department of Health Strategic Directions are the agreed values that reflect honesty, respect and integrity for every individual. These values drive how we conduct our business and how we behave. We aim to make the values “live”. It is important that we incorporate the values into our behaviour systems and processes.

The Department has a “Commitment to Workplace Values” attached to Job and Person Specifications that all staff are required to uphold. *(Please refer to the back of this document).*

Australia has one of the most culturally and ethnically diverse populations in the world. Having a diverse workforce (inclusive of bi-lingual, bi-cultural and employees who have a disability) can enhance the department’s ability to negotiate with, and meet the needs of, the full range of its clients and customers. Such employees also add to the diversity of the workforce, and give added opportunities to fully capitalise on difference as a valuable asset in an increasingly competitive environment.

JOB SPECIFICATION

1. Summary of the broad purpose of the position in relation to the organisation's goals:

The Director of Nursing and Midwifery provides strategic and operational leadership, governance, and direction for the nursing/midwifery services within a Health Unit or Community Service. The focus of the role is on development and implementation of frameworks and systems within which nursing/midwifery employees practice, and on monitoring and evaluating clinical practice and service delivery standards. The role scope at this level may be required to extend across more services than nursing/midwifery.

The Director of Nursing and Midwifery accept accountability for the governance and practice standards of nurses/midwives; the development and effectiveness of systems to support, evaluate and consistently improve nursing/midwifery practice and healthy work environments and the cost effective provision of health services within their span of control.

The specific scope of this Level 6 position is outlined in section 4.5 of the **Statement of Key Outcomes and Activities**.

2. Reporting/Working Relationships (to whom the person reports, staff for whom the person is responsible and other significant connections and working relationships within the organisation).

The Director of Nursing and Midwifery is:

- Responsible to the Chief Executive Officer (or to the relevant position in your local health unit/service/region)
 - Works closely with executive and senior clinical and management personnel and disciplines including medical, allied health, scientific and technical services.
 - Liaises regularly with unions and staff bodies and with external agencies will be required.
 - Responsible for the management of Nursing and Midwifery Directors Level 5.
-

3. Special Conditions. (such as non-metropolitan location, travel requirements, etc)

- The appointee may be subject to a Criminal History Check prior to confirmation of appointment.
 - The incumbent may be required to enter into an annual performance agreement for the achievement of (specific or service or program) outcomes.
-

4. Statement of Key Outcomes and Activities (group into major areas of responsibility/activity and list in descending order of importance - continue on next page)

4.1 Ensuring the provision of professional high quality health care aimed at improving patient/client health outcomes by:

- Providing corporate professional nursing/midwifery advice, direction, and governance for a specified Health Unit or Community Service;
- Developing and implementing a corporate nursing/midwifery professional practice framework;
- Initiating and/or overseeing innovations, systemic change processes, and co-ordination of responses to nursing/midwifery practice and health service needs;
- Developing and implementing service delivery policies, goals, benchmarking frameworks and nursing/midwifery clinical practice standards;
- Developing and guiding the use of information systems to inform decision making, manage practice, store corporate knowledge and convey information to staff;

Statement of Key outcomes and Activities (Continued)

- Leading, coaching, coordinating and support direct reports;
- Integrating contemporary information and research evidence with personal knowledge and experience to support executive level decision making;

4.2 Ensures the efficient and effective management of the nursing and midwifery services and relevant services within the span of responsibility of the position by;

- Providing corporate management of nursing/midwifery services for a specified Health Unit or Community Service;
- Developing and/or implementing corporate administrative and risk management frameworks;
- Undertaking financial budgeting and management within a culture of due diligence;
- Establishing standards for human resource systems implementation including processes and standards of nursing/midwifery staff recruitment, performance, development and retention.
- Leading the establishment of healthy working environments, respectful relationships and learning cultures across span of appointment;
- Contributing to and/or negotiating organisation budget and activity profiles;
- Leading innovation, changing processes, and coordinating responses to emerging service and workforce needs;
-

4.3 Contributes to the achievement of professional expertise through the maintenance of ongoing personal professional development/continuing education:

- Holding a contemporary professional practice portfolio containing professional development evidence commensurate with the level of autonomy, authority and influence expected of the role;

4.4 In addition the Director of Nursing and Midwifery may be required to;

- Manage or oversee an organisational/regional portfolio or long term and/or significant project;
- Provide executive level management of services other than nursing/midwifery for a specified Health Unit or Community Service.

4.5 Level 6.5 has a substantial number of the following characteristics but is not limited to:

- Wide range of primary, secondary and specialist services;
- General Hospital and/or Specialist Hospital or Community Service;
- Majority of acute non-tertiary services for catchment population;
- Specialist referral centre for specific services;
- Teaching, training and research services;
- Designated elective surgical services.

4.6 Health Unit to insert any local generic statements related to

- Requirements for participation in Counter Disaster activities
- Requirements related to Equal Opportunities and Occupational Health Safety and Welfare

COMMITMENT TO WORKPLACE VALUES

The Department of Health values have an influence on the people we employ

Every organisation has values that govern the way people are treated and the way decisions are made. The Department's Strategic Plan identifies the values that guide our behaviours. These behaviours apply to all employees and govern the way people in the organisation are treated, the way decisions are made and how we provide our services.

These values are used in day to day communication and interaction between all employees and are linked to the whole of government Code of Conduct, Performance Development, Job and Person Specifications and Department of Health Employment Conditions.

Department of Health Organisational Values are:

Honesty

We show honesty by speaking truthfully, within the boundaries of confidentiality. This is shown in our dealings within the Department and with our consumers and partners by: saying what we mean and meaning what we say, keeping our promises, telling the truth tactfully, providing honest feedback and answers and admitting to mistakes.

Respect

We show respect by speaking and acting with courtesy. We treat others with dignity and use culturally appropriate ways of communicating. This is shown in our dealings within the Department and with our consumers and partners by: treating everyone fairly, communicating so people can understand, listening to others, and seeking and providing feedback.

Integrity

We show integrity by honouring our values and the rules of our department, government and nation. This is shown in our dealings within the department and with our consumers and partners by: doing the right thing, abiding by the values, standing up for what we believe in, and taking responsibility for our mistakes.

I _____ have the ability and commitment to behave consistently with the stated values of the Department of Health.
